

4-H Leader & Senior Member Opportunity

The Provincial 4-H Office is offering a unique opportunity this year to Regional Executive Members and Senior Members. Staff have completed the Board Member course Training through Holland College and it offers very valuable information that is applicable to the various aspects of the 4-H program.

Regional Executive

Any member of a regional executive (up to three leaders/volunteers per region) can register for this Online Board Member Training with the cost being covered by the Provincial Council. If there is not enough interest from executive, registered leaders will be considered. This course will help you to further understand your role as an executive member and hopefully equip you with knowledge that can be implemented at the regional level to ensure our regional councils are running effectively.

Senior Members (16+)

Any senior member who registers for this course (at their own expense) and provides a certificate of completion upon finishing the course can use this as their 4-H skill based Project (other completion requirements include: Communications, Ag Awareness and Community Service). Not only will this course serve you well in your 4-H career, but in other careers as well! A great addition to your resume.

If you are interested please contact your 4-H Specialist
